(6) Estimate of the Total Amount of Expenditures for Projects During Qualifying Period

The estimate of total amount of expenditures for projects planned during the Qualifying Period is \$9,415,744.95.

This estimate is based on total projected assessment revenue of \$859,907.29 in the first year of the Qualifying Period, with an estimated annual growth rate of 2%. Actual revenues may grow at a higher rate, remain flat, or decrease during the Qualifying Period, affecting actual Zone expenditures.

(7) Source of Financing for Projects

The primary source of financing for the Projects is an annual assessment applicable to assessable properties in the Zone Area. The Zone may seek additional revenue through payments in lieu of assessments (such as voluntary payments from owners of non-assessable property within the Zone Area), payments for services, and grants or donations to fund complimentary projects and activities or administrative costs of the Zone. Any money of the Zone remaining at the end of the Qualifying Period may be retained by the Zone and may be used by the Zone under any subsequent qualifying period pursuant to a zone plan for that subsequent qualifying period.

(8) Projected Amount or Rate of Assessments for Each Year and Basis for Imposition of Assessments

- (a) Subject to sections 8(d) and 8(e), assessments will be imposed on each Assessable Property within the Zone Area based on two factors: (1) square footage of floor area; and (2) assessed value. The **"Floor Area Rate"** portion of the assessment is imposed upon each assessable property at a rate of **\$0.0580983305 per square foot of floor area**. The **"Assessed Value Rate"** portion of the assessment is imposed upon each assessable property at a rate of **0.0024554878 per dollar of assessed value**.
- (b) The Floor Area Rate and the Assessed Value Rate will remain constant during the entire Qualifying Period.
- (c) Subject to the assessment cap under section 8(d) and the limitation on an annual assessment amount increase under section 8(e), for any year during the Qualifying Period the aggregate assessment for an assessable property is the sum of (1) the product obtained by multiplying the floor area of the property by the Floor Area Rate and (2) the product obtained by multiplying the assessed value of the property by the Assessed Value Rate.
- (d) *\$150,000.00 Assessment Cap.* Given the size and assessed value of a handful of assessable properties within the Zone Area, for equitable purposes, a cap is imposed on the aggregate amount of the annual assessment on any individual assessable property within the Zone Area. The maximum amount of the annual assessment for any individual assessable property within the Zone Area is limited to \$150,000.00 per year for each year of the Qualifying Period.
- (e) *3% Annual Assessment Increase Limit.* After the initial year of the Qualifying Period, an annual increase in any individual assessment of assessable property under this Zone Plan is limited to 3% of the prior year's assessment. If the records of the assessor for the City (the **"Assessor"**) indicate a Transfer of Ownership during the prior year, the 3% increase limit under this section 8(e) does not apply. Additionally, if the records of the Assessor indicate any Additions during the prior year, the Additions must be reflected in assessments of the applicable properties notwithstanding the 3% limit under this section 8(e).

- (f) All assessment calculations under this Zone Plan will be based on property data maintained by the Assessor (or any successor officer, agency, or authority charged with maintaining the data) including data relating to floor area square footage, assessed value, Transfer of Ownership, and Additions.
- (g) Data from the Assessor for assessable property as of January 31, 2024 was used to calculate projected assessments and revenue for this Zone Plan.
- (h) In the first year of the Qualifying Period, data from the Assessor for assessable property current as of January 31, 2025 will be used to calculate assessments for the first year (of the Qualifying Period. After the first year of the Qualifying Period, data from the Assessor for assessable property current as of January 31 of each year will be used to calculate assessments under this Zone Plan for that year. For example, assessments for 2026 will be calculated using data from the Assessor for assessable property current as of January 31, 2026. No adjustments to assessments for an assessment year will be made as a result of any adjustments to property data after January 31 of that assessment year.
- (i) For purposes of this section 8, **"Transfer of Ownership"** and **"Additions"** mean those terms as defined under Section 34d of The General Property Tax Act, 1893 PA 206, as amended, MCL 211.34d. **"Assessable Property"** means that term as defined in section 10a of the BIZ Act, MCL 125.990a.

(9) Plan of Dissolution for Zone

Upon a written petition duly signed by 30% of the property owners of assessable property within the Zone Area submitted no sooner than two years after the adoption of the Zone Plan for the Qualifying Period, the Board shall place the issue of dissolution of the Zone on the agenda of the Board's next annual meeting of owners of assessable property if the next annual meeting of owners of assessable property is to be held not later than 63 days after receipt of the written petition, or on the agenda a special meeting of the Board to be held later than 63 days after receipt of the written petition. Notice of the next annual meeting or special meeting described in this section 9 must be made to all owners of assessable property within the Zone Area by first-class mail not less than 14 days before the date of the annual or special meeting. The notice must include the specific location and the scheduled date and time of the meeting.

Except as otherwise provided in this section (9), the Zone is dissolved upon a vote of more than 50% of the owners of assessable property voting at the meeting, with the vote of each property owner weighted in proportion to the property owner's portion of total assessments for the Zone in accordance with this Zone Plan and section 10f(2) of the BIZ Act, MCL 125.990f(2). A dissolution is not effective until the later of the end of the second calendar year after the vote for dissolution or all contractual liabilities of the Zone have been paid and discharged.

Upon dissolution of the Zone, the Board shall dispose of any remaining physical assets of the business improvement zone. The proceeds of any physical assets disposed of by the Zone and all money collected through assessments that is not required to defray the expenses of the Zone must be refunded on a pro rata basis to persons from whom assessments were collected. If the Board finds that the refundable amount is so small as to make impracticable the computation and refunding of the money, it may be transferred to the treasurer of the City (the **"City Treasurer"**) for deposit in the treasury of the City to the credit of the City general fund. Upon dissolution of the Zone, any remaining assets of the Zone must be transferred to the City Treasurer for deposit in the City treasury to the credit of the City general fund.
