

2021

SHIMMER ON THE RIVER

HEALTH & SAFETY PROTOCOL

The health and safety of our guests, volunteers, and staff is a top priority, and appropriate measures will be in place at Shimmer on the River to ensure a safe and enjoyable event. Safety protocols are subject to change based on current local Covid-19 transmission rates.

TICKETING

To keep wait times down and minimize contact at check-in, we will be sending out wristbands to our guests in early September who purchase their tickets before 8/30. Tickets purchased after 8/30 will be available at Will Call at event Check-in.

BEFORE LEAVING HOME

Stay home if you are feeling unwell, have a fever, or any other Covid-19 symptoms, or if you have been in contact with someone with Covid-19 in the last 14 days.

MASKING

All unvaccinated guests, including children, are required to wear a mask at the event. All guests are strongly recommended to wear a mask while inside the tented area of the event and on any rides and bounce houses. Masks may be removed in the tent while eating and drinking. Masks will be available to guests at check-in if they did not bring their own.

CAPACITY & PHYSICAL DISTANCING

Shimmer will be running at limited capacity on an expansive footprint, providing appropriate space for guests to physical distance. Guests are asked to keep 6 ft away from anyone who is outside of their household and to avoid crowding.

2021

SHIMMER ON THE RIVER

HEALTH & SAFETY PROTOCOL

CLEANING PROTOCOLS

Guests are asked to frequently wash their hands or use hand sanitizer at the event. Routine cleaning of the event space will be conducted to help maintain healthy facilities, including increased cleaning of restrooms, disinfecting activity spaces, and high touch surfaces.

GAMES & ACTIVITIES

Capacity will be limited at games, activities, and bounce houses to minimize contact. Guests will be asked to use hand sanitizer when entering and exiting games and activities.

VACCINATIONS

We are encouraging every eligible individual in the Detroit Riverfront community to get their Covid-19 vaccine. Call 313-230-0505 to learn more and schedule your appointment.
